catching extended green pleated throat,
accented with darker veining, draws
you in, while the rich plum petal tips
add a playful flair. **FUNKY DANCER** is
distinguished by its wide, ruffled green
edges that enhance its dynamic profile.
The thick substance of each petal ensures
resilience against the elements, while a
subtle diamond dusting adds a touch of
sparkle to every bloom.

Price: \$200

GENERAL INFORMATION

GENERAL LISTING PLANTS SHIPPING MARCH TO MID-JUNE 2025

At Floyd Cove Nursery, we take pride in growing high-quality daylilies that not only inspire hybridizers but also delight daylily enthusiasts. Continuing the tradition of the past 30 years, we remain committed to delivering plants that meet the highest standards. Each daylily is personally dug, labeled, and packed by our family, and we value the close, personal relationships we are building with our customers.

All of our plants are carefully inspected by the State of Florida, and our nursery follows a regular spraying program to ensure the health and quality of every plant. We take special care to prevent rust and maintain a healthy garden environment. Each plant listed for sale is freshly potted each year into 3-gallon containers with a specially formulated mix of Florida peat, dolomitic limestone, and Nutricote 18-6-8, 360-day slow-release fertilizer.

For those who prefer to pick up their plants in person, arrangements can be made to collect potted plants directly from the nursery. If you have any questions, please don't hesitate to reach out. We're always here to help.

Our Guarantee To You

At Floyd Cove Nursery, we are committed to providing you with fresh, true-to-name, blooming-size daylilies. For our own introductions, the prices listed are for single fans, though in most cases, you will receive double fans as a courtesy. This is our way of offering extra value to our customers, and we take great pride in the quality of our plants.

However, we ask that our generosity be respected. If you plan to use our plants for resale at a significant discount, particularly in the first year, we ask that you refrain from placing an order with us. We value our relationships with breeders and collectors who appreciate the quality of our plants, and we reserve the right to refuse business to anyone who uses our plants in a way that undermines our efforts. Should we become aware of such activity, often through feedback from our customers, we will no longer be able to fulfill future orders.

If you are not satisfied with the quality of the plants you receive, please do not plant them. Simply return them to us for a full refund. We stand behind the size and condition of our plants, and we want you to be completely satisfied with your purchase. For new introductions, we will send double fans as long as stock allows. When we are down to the last 10 pots of an introduction, we will offer them as single fans. Should this occur, we will notify you to confirm that you wish to proceed with the order.

Bonus Plants

We offer a complimentary bonus plant with every order, excluding Daylily Collections which are already offered at a discount. Our bonus plants typically represent around 20% of the order value, and we believe we provide some of the best bonuses in the industry. To receive a bonus plant, simply provide us with a ****reasonable**** list of your preferences, and we will do our best to accommodate your request.

We would like to remind customers that selling a bonus plant in the same year it is released is not acceptable. This is treated in the same manner as selling newly introduced varieties, and those who engage in this practice will no longer be eligible for a bonus. Please note that bonus plants will not be included in orders under \$50, as it can be challenging to source suitable inventory for smaller orders.

Substitutions

If you authorize substitutions, we will ensure that any replacements are of equal or greater value. We will never substitute without your prior consent. In the event that we are unable to fulfill your order and no suitable substitution is available, we will issue a refund for the cost of the item. Whenever possible, we will also offer a bonus plant from your substitution list as a gesture of appreciation.

General Listing Plants

Our General Listing plants are updated annually. Please note that many of our varieties, particularly those priced between \$10 and \$25-\$35, often sell out quickly, typically by May. To ensure availability, we encourage you to place your orders early. We no longer ship or hold General Listing plants for fall delivery due to their smaller size. We will make efforts to post sold-out listings regularly on our website for your convenience.

Shipping Information

All plants are shipped bare root, carefully trimmed, washed, dipped, and securely packaged for delivery. We ship via UPS Ground, and USPS Priority Mail may be arranged at your own risk. Shipping charges are as follows: \$25 plus \$3 handling for domestic orders, and \$30 plus \$3 handling for shipments to the West Coast (including New Mexico, Colorado, Utah, Idaho, Arizona, California, Oregon, and

Washington) due to UPS and Postal rate increases. Please ensure that you provide a clear delivery address, including a phone number and email address, to facilitate smooth delivery. For UPS shipments, we use UPS Quantum View Notification, which will notify you by email when your order has shipped, along with the expected delivery date.

Resale Of New Introductions

We do not permit the resale of new Floyd Cove introductions at discounted prices within one year of their release (March to March). We request that you refrain from undercutting our pricing, as this devalues the market for these introductions. Violators will be prohibited from purchasing plants from us in the future. No exceptions will be made.

International Shipping

We offer worldwide shipping. For the most current list of countries we can ship to, please contact us directly. Our minimum order for international customers is \$800 USD, with an additional \$95 USD charge for handling and the required Phytosanitary certificate. Due to the extensive paperwork involved in international shipments, handling fees have been increased. To help offset this cost, we will include a bonus fan or additional plant with your order, whenever possible.

Please note that we do not accept international orders consisting solely of General Listing plants, as these are offered only as a courtesy alongside our exclusive introductions. All international orders must include at least 25% new introductions to be processed. Shipping costs will be charged separately at the time of shipment. For further details and to discuss specific requirements, please contact us.

Visting The Garden

We welcome visitors to our garden each May during our peak bloom season. Our nursery is located at 1240 Enterprise Osteen Road, Enterprise, FL 32725. Since our new location is also our private residence, it is secured by a gate. If you plan to visit, please call us at 386-575-3391 upon arrival, and we will open the gate for you. Our regular visiting hours during May are Thursday through Sunday, from 8:00 AM to 12:00 PM. After noon, our irrigation system will begin running, as we have multiple watering zones to maintain. If you would like to visit outside of these hours, please contact us in advance via phone or email so we can ensure access to the gate. We are often busy with shipping during May, so we kindly ask that you notify us of your visit in advance so we can provide you with the time and attention you deserve. **To reach us: Take I-4, exit 108, and turn onto Debarry Avenue, heading east. Follow Debarry Avenue to Providence Blvd, turn right, and continue to the end of the road (Lake Munroe). Turn left onto Lakeshore Drive, which becomes Enterprise Osteen Road. We are located across from Mariners Cove Park. If the gate is closed, please call the number listed on the gate for assistance.**

Gift Certificates

Gift certificates are available in any denomination you choose. They are mailed via first-class mail and can be personalized for specific occasions, such as birthdays or holidays. If you would like to request a themed certificate, please let us know, and we will be happy to accommodate your request.

Catalogs

New customers are welcome to request a catalog for \$5.00. Once your catalog order is received, we will send you a \$10.00 voucher, which can be used toward your first purchase of \$25.00 or more. Please send checks for catalog orders to our postal address. If available, we will also include catalogs from previous years at no extra charge as a bonus.

Club Orders

At Floyd Cove, we take great pride in our longstanding support of garden clubs by offering high-quality plants at exceptional values. We are pleased to provide clubs with new introductions, curated collections, or individual plants, and will make every effort to provide multiple fans whenever possible.

For clubs wishing to purchase plants within a specified budget, we are happy to match your dollar amount, effectively doubling the value of your order. Please note that club plants are non-replaceable. We truly appreciate and value our club partnerships!

NIGHT WOLF

6.5"

Pierce G. 1191-A (Seedling x Seedling) 34" high, bloom 6.5", season EM, Rebloom, Evergreen, Tetraploid, 40 buds, 7 branches, rich deep purple, dark black purple eye, wide double edge in velvet black purple, with white tentacles and a green throat. Fertile both ways.

Embrace the enchanting allure of **NIGHT WOLF**, the striking 2025 introduction that brings a touch of mystery to your garden. Towering at 34 inches, this captivating daylily features a generous bloom size of 6.5 inches, displaying a rich deep purple hue that draws you in. The dramatic dark black purple eye adds depth and intensity, making each flower a true centerpiece. With a wide double edge in luxurious velvet black purple, **NIGHT WOLF** captures the essence of twilight. The blooms are adorned with delicate white tentacles that create a stunning contrast against the darker shades, while a vibrant green throat adds a finishing touch of elegance. **NIGHT WOLF** is more than just a beautiful flower; it's a statement piece for any garden enthusiast.

GET BACK JACK *(Photo on Back Cover)*

Pierce G. 2276-D (Seedling x Seedling) 34" high, bloom 6.75", season EM, Rebloom, Evergreen, Tetraploid, Very Fragrant, 35 buds, 6 branches, orchid purple with darker purple eye outlined with raspberry, double edge of purple and orchid with lemon and white teeth, and a large green throat with veining. Fertile Both Ways.

Step into a garden of vibrant color with **GET BACK JACK**, a standout introduction of 2025. This stunning daylily boasts a remarkable bloom size of 6.75 inches, presenting an exquisite orchid purple hue, beautifully contrasted by a darker purple eye that is artfully outlined in raspberry. The petals are elegantly framed with a double edge of purple and orchid, adorned with delicate lemon and white teeth, creating a captivating visual display. With a robust branching structure featuring 6 branches and an impressive bud count of 35, this evergreen tetraploid ensures a spectacular show throughout the early midseason and beyond, thanks to its reliable reblooming nature. The large green throat, laced with subtle veining, adds a touch of elegance to this already stunning cultivar. Elevate your garden with the remarkable **GET BACK JACK** a perfect choice for those seeking a striking addition to their landscape.

FAREWELL AND A BIG THANK YOU... AND WELCOME TO THE GILSTRAP FAMILY!

Greetings from the Pacific Northwest.

We want to take this opportunity to say farewell to our Daylily Family, as we start our next adventure and what might be ahead. We appreciate all the support over the past 17 years, as we have strived to bring you the very latest creations, the best quality and customer service we could provide.

We have enjoyed the friendships, the many conversations over the years and we will miss those very much. But it is now time for us to enjoy the next chapter.

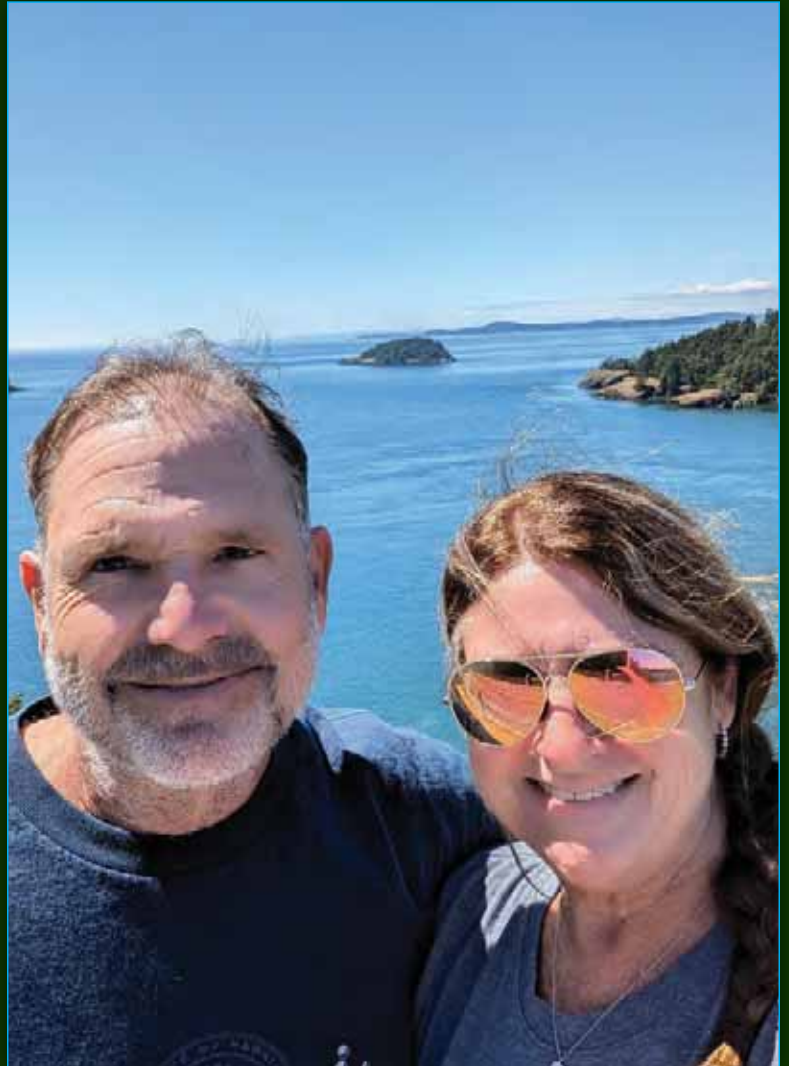

We believe we have left the business and our beloved property in good hands with a lovely young family that want to enjoy all that is here and share it with their boys. We will of course be supporting Toby and Shelley as they learn and continue to grow Floyd Cove. We have left them with many new introductions for you to enjoy and over the next few years they will be learning the joy of creating their own new daylily hybrids.

It is our wish that the Gilstrap Family enjoy every success as they create new memories here.

We also want to say a huge THANK YOU to SONYA STARCHAK who has been the most integral part of our family, always here ready to do what every we ask, offering the friendship of her family to us - we love you Sonya and will miss you and all the Starchak Family.

Please continue to support Floyd Cove Nursery and make Toby and Shelley and their family feel welcome into the Daylily community. This is a big step for them, but everything should continue the same as before and we will always be available to offer our guidance and support until they are ready to put their own mark on the business.

Please keep in touch and again from both of us, thank you for giving us a wonderful life breeding Daylilies for you.

With much affection..... Guy & Karen

LETTER FROM THE GILSTRAP FAMILY!

Dear Valued Customers and Friends,

We are thrilled to introduce ourselves as the new owners of Floyd Cove Nursery—Toby and Shelley Gilstrap, along with our four energetic sons! As we take the reins of this beloved nursery, we are filled with excitement and gratitude for the journey ahead.

First and foremost, we want to extend our heartfelt thanks to Guy and Karen Pierce. Their guidance and support during this transition have been invaluable, and we are deeply appreciative of their dedication to Floyd Cove Nursery. They have laid a strong foundation, and we are committed to honoring their legacy while infusing our own passion and vision into the nursery.

We are looking forward to meeting all of you in the daylily community! Your enthusiasm for these beautiful blooms inspires us, and we can't wait to connect with you, share our knowledge, and grow together in this journey.

Exciting things are on the horizon! We are thrilled to announce the launch of our new website, which will feature our latest daylily introductions, gardening tips, and so much more. This platform will allow us to better serve you and keep you updated on our progress.

Thank you for your continued support and for being a part of the Floyd Cove Nursery family. We can't wait to see what the future holds as we cultivate not just stunning daylilies, but also lasting relationships within this wonderful community.

Warmly,

*Toby, Shelley, Michael, Jennings, Jack, and Brody Gilstrap
